

Doctors **exhort** obese individuals to go on diets.

During the most sultry days of summer, one often bears the **platitute**, 'Is it hot enough for you?'

He began to eat the food served at the sumptuous feast with **gusto**.

He showed his **pique** by slamming the door.

He was usually sedate, but when **inebriated** he became hostile.

His insatiable hunger for sweets soon made him **obese**.

It is the **atypical** fisherman who does not embellish the story about the fish that got away.

It was a pleasure to watch the **lithe** body of the ballet dancer as she performed the most difficult steps.

Many virulent diseases are now on the **wane**.

Men believe that women's conversation is filled with **banal** comments concerning clothing or food.

My **adversary** became disgruntled because my arguments were so cogent.

Oh, what **bliss** could be seen in the eyes of the ardent couple as they announced their engagement.

She was usually so **garrulous**, we considered anything under a five minute speech has a cryptic remark.

The detective had little to go on because of the **nondescript** nature of the criminal.

The **dilettante** will scoff at those who admit that they know very little about modern art.

The disgruntled **adherent** switched his loyalty to the opposition party.

The feeling of **apathy** was so prevalent during the election campaign that the candidates hardly bothered to make speeches.

The **fracas** started when he besmirched my good name.

The **indolent** person goes to great lengths to eschew work.

There is something **pathetic** about a great athlete who continues to compete long after he has been bereft of his talents.
