

Mrs. Richard: Hi, Mrs. Andrew. What's up today?

Mrs. Andrew: Oh, Hello Lisa. I'm going shopping.

R: Shopping? That sounds exciting. What do you have in your mind to buy?

A: I don't know yet. Actually, that's none of your business.

R: Oh, I'm sorry. By the way, you look tired. Are you OK?

A: No, I'm not OK. My husband and I haven't had enough sleep these days.

R: Oh, I'm very sorry to hear that. Do you have any reasons for that? Have you gone to a doctor?

A: No, we haven't gone to a doctor, because we know the reason why we can't sleep.

- R: Oh, really? Take care of yourself then.
By the way, do you like music?
- A: Yes, we do.
- R: That's good. Are you free tonight?
- A: Yes we are. We have no plan yet.
- R: That's very good. Why don't you come to our place then?.
- A: Why?
- R: Because recently, my husband and I have got a beautiful new stereo. Let's listen to music together.
- A: You know what? That's exactly the reason why we can't sleep lately.
- R: I don't get it.
- A: Don't you understand? Your music is so loud that we can listen to it very loudly at OUR place!

Why don't you come to our place?
